“Extreme Ranking Power” Exclusive Technology Created By The Web Leaders.

HEMPSTEAD, New York (February 15, 2009) - **The Web Leaders**, a self proclaimed state of the art Long Island web design company dealing in all facets of Graphic Design, Web Design, Web Hosting, Web Development, Search Engine Optimization (SEO) & Internet Marketing has introduced their exclusive technology “**Extreme Ranking Power** “ which was created to ensure top search engine visibility.

“ **Extreme Ranking Power** will catapult us into being the premiere Nassau and Suffolk county web design and search engine optimization company out there. Web traffic is ever increasing, there are currently 300+ million searches that are conducted on line daily, with 75% of the population utilizing the World Wide Web. We are here to bring a simple solution to the demand for search engine optimization. We created an SEO that allows our clients first page billing within Yahoo, Google, MSN, Ask, AltaVista, All the Web, Lycos, Dog Pile and many others, and who in business doesn’t want to be on the front page?” Our goal is to be **the** number one Long Island, Nassau **and** Suffolk County SEO company out there and with this technology, we will be.” said Tom Donovan, Chief Executive Officer and Founder of **The Web Leaders**.

A few of the critical steps incorporated in Extreme Ranking Power are key phrase analysis, submissions, structural development, content development and ongoing maintenance. These steps achieve and maintain top search engine rankings directly related to potential customers seeking specific types of products and services that clients offer.

The Web Leaders is a full service web development firm that utilizes the latest facets of industry programming skill sets including HTML, DHTML, Flash, MYSQL, JAVA, Pearl, PHP, SSH and a full database of driven e-commerce solutions. To find out more, please visit www.thewebleaders.com.
